**NATURALSTONE**  
COMPANY

**SPECIAL SELECTION** FOR THE FAIR

MARMO+MAC

ABOUT US

With experience rooted in our heritage, **ABS Natural Stone** is a trusted partner in the international natural stone industry. Our company offers a wide range of products, from marble and onyx to travertine, granite, and limestone, to customers worldwide.

Operating in the production and supply of blocks, slabs, and tiles, our company offers flexible solutions tailored to the requirements of various projects.

By applying strict quality standards at every stage of the process, we provide our customers not only with natural stone but also with trust, consistency, and a professional partnership.
